

Bacon Slicing Lines

Bacon Slicing Lines

Peak performance in processing, hygiene and

ergonomics

With a Schiwa Bacon Slicing Line, you enjoy the all the advantages that come with Schiwa products: high-speed processing, stainless steel throughout and a solid integral design. And when it comes to value retention, maintenance and hygiene, it fulfils your highest expectations. The line’s modern, ergonomic Walk-In Design ensures that all service-intensive areas are convenient to access and easy to clean.
