

Cooked Ham Slicing Lines

Cooked Ham Slicing Lines

Top products - top demands

Cooked Ham Slicing Lines

If you're processing extra-large loaves into perfect, retail-ready portion packs, then the Schiwa Cooked Ham Slicing Line is just what you need. Like every line we manufacture, it works on the ALL-IN-ONE principle: you control all the components in the line via one PC and/or screen with an intuitive user interface and touchscreen display.

Technical Versions

Line Parameters

slicing, portioning, weighing,
and automatically synchronized
